

GH Flu Vaccination Day

Monday, 13th April, 2015 10:00am - 2:30pm

In collaboration with ISG (Influenza Specialist Group), Graduate House presents its fourth annual Influenza Vaccination Day. This is a free community service - all Members (resident and non-resident) are welcome; as are all graduates, university staff, their families and friends.

Graduate House extends again a warm welcome to the organisations that provide this service and the vaccinations free of charge.

We encourage everyone to take advantage of the free flu shot by booking their vaccination time on-line -

<http://bupawellness.com.au/bookings/index.aspx?BS=14208>

Booking ahead will help us cater for a sufficient number of vaccination formulas on the day.
